Available in standard and extra large

METSOL SWIPES

Superior wipes

FEATURES/BENEFITS:

Versatile	Removes grease, oil, tar, bitumen, dirt, carbon, printing inks, wax and glue from all metals and other hard surfaces.
Safer	An efficient replacement for low quality, dangerous solvents.
Quick and easy	The quick and easy answer for fast, efficient and cost effective cleaning.
No residue	Evaporates completely after use and leaves all surfaces clean and film free.
Easy to Use	Open the lid, pull up a Swipe and tear off along the perforated line. Clean the soiled surface and discard the Swipe into a suitable container.

USE:

Open the lid, pull up a Swipe and tear off along the perforated line.
Clean the soiled surface and discard the Swipe into a suitable container.

APPLICATIONS:

Removes grease, oil, tar, bitumen, dirt, carbon, printing inks, wax and glue from all metals and other hard surfaces. Recommended for use for cleaning during most operations.

PRECAUTIONS:

Ensure that the tub lid is shut securely after use.
For further information see MSDS.
